LG styler® | Steam Closet

Versatile Care

CARE FOR HARD-TO-WASH ITEMS WITH TRUESTEAM® TECHNOLOGY

- Can't wash it? LG Styler® makes it easy to care for hard-to-wash items, from jackets to backpacks to favorite stuffed toys and throw pillows
- Using TrueSteam® technology—a chemical-free steam generating powerhouse—hot vaporized water penetrates all kinds of fabrics
- It's even CERTIFIED by the Asthma and Allergy Foundation of America (AAFA) to help remove airborne allergens like pollen, pet dander and dust*—perfect for allergy sufferers or homes with pets

* Based on certification by the Asthma and Allergy Foundation of America (AAFA).

Deodorize & Freshen

DEODORIZE AND FRESHEN DAILY WITH TRUESTEAM® TECHNOLOGY

- Put an end to the "re-wear chair"—LG Styler® lets you easily freshen and remove odors from clothes you have every intention of wearing again
- Instead of just masking odors, LG uses the power of steam to actually make clothes look and feel fresh—even if it's the second (or third) time around
- Choose from quick refresh cycles to longer settings
- Place a dryer sheet or cotton pad sprayed with your signature perfume in the removable aroma filter to add a pleasant scent

Damage-Free Drying

GENTLY DRY DELICATES MUCH FASTER THAN AIR DRYING

- LG Styler® has a built-in heat pump for a perfect way to quickly and gently dry everything from knit sweaters to hats to lingerie
- Low temperatures and indirect heat avoid damage while drying delicates MUCH faster than air drying—and neatly out of sight
- Use it to warm bath towels and jammies for a cozy finish to your day

Additional Features

Hands-Off Innovations

SHAKE UP YOUR ROUTINE—SHAKE OFF THE WORK

- Toss items on the shelf* or quickly hang them up, and you're done—once you press the start button, LG Styler® takes care of the rest
- As hot steam circulates the closet, LG's exclusive moving hangers vibrate side to side (up to 200 times every minute!) to help shake out dust, allergens and odors
- The pants press on the door* smooths and restores creases, keeping pants looking their best
- Go hands-free with Alexa or the Google Assistant, or use the ThinQ® app to download specialty care options, remotely check remaining cycle time and more for effortless care, from anywhere

* Available on models S3MFBN, S3RFBN and S3WFBN. Shelf may be purchased separately for model S3CW.

Sleek Plug & Go Design

SLIM DESIGN. SIMPLE SETUP. STANDOUT STYLE.

- LG Styler® lives where you do with a slim design and ultra-quiet operation
- Place it in a foyer, entryway, mudroom, garage, walk-in closet or anywhere it's convenient for you to use every day
- Simply plug into a standard outlet—no need for an electrician or plumber
- With a choice of mirror, espresso, white or metallic charcoal finishes, each with a scratch-resistant tempered glass door and intuitive LED controls, this innovative steam closet fits your home and your style
