

CORE MESSAGING

DLE7400/DLG7401

7.3 cu. ft. Smart Wi-Fi Enabled Rear Control Dryer with LG EasyLoad™ Door

LG EasyLoad™ door opens two ways to save time and make loading and unloading easier

Make every minute of laundry day easier—starting with the flexible LG EasyLoad™ door that opens two ways for easy loading and unloading. The Sensor Dry system detects moisture levels throughout the cycle and automatically adjusts drying time as needed. And with ThinQ® technology that allows you to manage laundry remotely, it's easy to reclaim your laundry day.

Convenience

TWO-WAY DOOR FOR EASIER LOADING AND UNLOADING

Smart Features

FINISH LAUNDRY WHILE YOU'RE ON THE GO

Drying Performance

SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK

Available in:

White

Open Hamper Style to Load

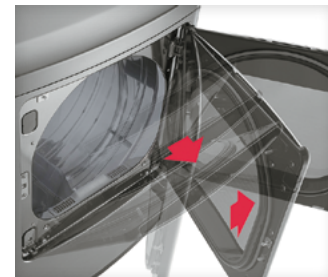

Swing to the Side to Unload

Convenience

TWO-WAY DOOR FOR EASIER LOADING AND UNLOADING

- LG EasyLoad™ door has two convenient ways to get clothes in and out of the dryer
- Press the release button and pull down to open the hamper style door and load wet laundry faster without leaving anything behind
- Swing the door to the side to make room for your basket below when unloading dry clothes
- Door swing can also be reversed to better fit your laundry room

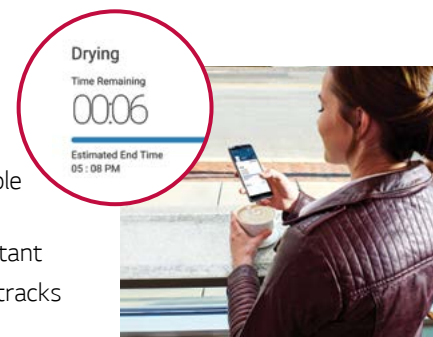

Smart Features

FINISH LAUNDRY WHILE YOU'RE ON THE GO

- No matter where you are, use the ThinQ® app to start the dryer, extend cycle time to avoid wrinkles and receive an alert when clothes are dry
- With Smart Pairing™, the washer can even tell the dryer to select a compatible drying cycle, making it the ultimate laundry hack
- Go hands-free—select dryer features work with Alexa and the Google Assistant
- Never run out of dryer sheets again—Amazon Dash Replenishment Service tracks usage and automatically delivers dryer sheets right to your door
- Proactive Customer Care offers preventative maintenance tips and alerts and expedited repairs, for enhanced satisfaction plus improved product performance

Drying Performance

SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK

- No more damp clothes—the built-in sensor detects moisture levels and automatically adjusts drying time for loads of all sizes
- No more overdrying—dryer shuts off at just the right time to save energy with less wear and tear on clothes

Additional Features

Ultra Large Capacity

SPEND LESS TIME ON LAUNDRY WITH MORE ROOM FOR CLOTHES

- Free up your day—fit more clothes in every load with 7.3 cu. ft. of space
- Running fewer loads saves energy and money on your utility bill

FlowSense™ Duct Clogging & Lint Filter Indicators

KEEP YOUR DRYER CLEAN, EFFICIENT AND SAFE

- FlowSense™ duct clogging and lint filter indicators let you know when your ducts and filter need cleaning to avoid lint buildup
- Improves the dryer's performance for greater efficiency and lower utility bills
- Helps give you safer, worry-free operation with fewer service calls

ENERGY STAR® Certified

WHO SAYS DRYERS CAN'T BE ENERGY EFFICIENT?

- High efficiency sensor drying and low-heat settings save energy and money
- ENERGY STAR® certified dryers use about 20% less energy than conventional models without sacrificing features or performance

Aluminized Alloy Steel Drum

GOOD LOOKS THAT ARE BUILT TO LAST

- An advanced aluminized alloy coating is added to the steel dryer drum to enhance durability and maintain its luster and attractive finish
- Helps keep nicks and chips at bay so your dryer looks like new even after years of use

LoDecibel™ Operation

PUT PEACE AND QUIET BACK INTO YOUR DAY

- Run the dryer whenever you want—the motor and other components are designed for quiet operation that won't interrupt naptime or your favorite show
- Pleasant end of cycle chime lets you know when clothes are dry
