Simply knock twice on the InstaView® windows to keep tabs on your creations without interrupting cooking progress

*Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Multifunctional Cooking

ALL THE WAYS YOU WANT TO COOK—
ALL IN ONE RANGE

- **Air Fry** – with huge capacity and no preheat needed, make enough crunchy favorites like wings, fries and more to feed a crowd while saving time and counter space—Air Fry basket included
- **Air Sous Vide** – using low oven temperatures and airflow around vacuum sealed ingredients, Air Sous Vide locks in moisture and aroma to deliver meats, fish and poultry that are tender, juicy and consistently delicious*
- **ProBake Convection®** – the gold standard in convection technology, for even baking on every rack, every time that's perfect for cookies and pies

* Refer to owner's manual for proper cooking instructions.

Largest Capacity Oven in its Class**

2 OVENS WITH EXTRA SPACE TO HANDLE
ALL YOUR COOKING NEEDS

- With a combined oven capacity of 7.3 cu. ft., it's the largest in its class**
- Whether you're baking a 20-pound turkey in one oven and the side dishes in the other, these ovens can fit all the pots and pans you need to get your cook on
- Two ovens give you the flexibility to cook different foods at different temperatures at the same time

** Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Convenience

CHECK ON FOOD IN AN INSTANT—AND MAKE
CLEANUP JUST AS FAST

- **InstaView® Windows** – see inside your oven without ever opening the door and letting heat escape—simply knock twice on the unique glass window
- **EasyClean® Oven** – keep your oven looking like new with this 10-minute cycle—the fastest oven-cleaning feature available†—just spray the interior with water, press the EasyClean® button and let the oven do the work, without chemicals or high heat

† Among major leading home appliance brands as surveyed in March 2020. Heavy build-up may require additional manual effort or use of the full self-clean feature.

Additional Features

Style & Design

BEAUTIFULLY DESIGNED WITH PRACTICALITY IN MIND

- **Slide-In Design** – places the controls up front for a built-in look that lets the beauty of your custom backsplash and countertops show through
- **SmoothTouch® Glass Controls** – sleek looks and effortless operation with just a touch of your finger
- **White LED Illuminated Knobs** – immediately tells you when each element is on or off with just a glance

**SLEEK
STYLE**

UltraHeat™ 3.6kW Element

POWER UP FOR FASTER BOILING

- With 3,600 watts, this 3-in-1 cooktop element is up for any quick cooking challenge
