Front Control Dishwasher with QuadWash™ and EasyRack™ Plus

Get dishes of all shapes and sizes clean the first time with QuadWash™ and versatile EasyRack™ Plus

Fit more dishes in every load and be confident they'll come out sparkling. Four powerful spray arms clean from multiple angles to get dishes clean the first time—without extra rinsing or scrubbing. The adjustable upper rack and customizable tines easily make room for tall stemware above or oversized pans below. And with LoDecibel™ quiet operation, you can run the dishwasher whenever you want.

Cleaning Power

GET DISHES CLEAN THE FIRST TIME

- With four spray arms instead of just two, QuadWash™ uses Multi-Motion arms that rotate back and forth while spinning to power-clean dishes from multiple angles throughout the entire cycle
- Saves the time and headache of having to prewash or rewash dishes by hand

QuadWash™

LoDecibel™ Operation

SO QUIET, YOU CAN USE YOUR INDOOR VOICE

- Run the dishwasher whenever you want—the whisper-quiet 48 dB cleaning cycle won't interrupt post-dinner-party conversations or naptime
- Innovations like the Inverter Direct Drive™ motor and 3-stage filtration system are also designed for quiet performance

EasyRack™ Plus

MORE FLEXIBILITY MEANS NO DISH GETS LEFT BEHIND

- Fit more dishes, run fewer loads and make short work of after-dinner cleanup
- Upper rack has three height settings and adjusts effortlessly and smoothly to make room for tall stemware on top or oversize pans below
- Customizable tines offer greater flexibility for loading dishes of all shapes and sizes without compromising cleaning performance

Additional Features

Reliable & Efficient Performance

A CLEAN YOU CAN COUNT ON FOR YEARS TO COME

- Backed by a 10-year limited warranty, the LG Inverter Direct Drive™ motor delivers peace of mind with every load
- Fewer moving parts and no belts means quiet operation and powerful cleaning that uses less energy and saves you money

Dual Zone Wash

CUSTOMIZED CLEANING ON EACH RACK

- Wash delicate stemware and pans with baked-on food in the same load to save time and run fewer loads
- Dual Zone wash automatically sets spray intensity for upper and lower racks independently
- Softer spray on the upper rack cleans gently while the stronger spray on the lower rack delivers powerful scrubbing

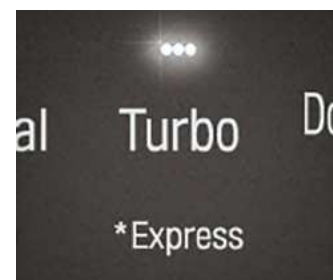

Versatile Wash Cycles

CYCLE OPTIONS THAT KEEP PACE WITH YOUR LIFE

- Tackle every load size and soil level with 9 wash cycles and 8 wash options that give you ultimate flexibility
- When you're in a pinch, Turbo cycle gets extra dirty dishes clean in an hour, or use Express cycle to wash lightly soiled loads in just 33 minutes
- For better drying, Extra Dry raises rinse temperature and adds 20 minutes of drying, while Night Dry runs the fan periodically to vent steam while you sleep

Front Control Panel with LED Display

QUICK ACCESS TO EVERY SETTING

- Convenient control panel on the front of the dishwasher makes it easy to reach features and settings
- The easy-to-read LED display lets you check the status of your dishes with just a glance

**LED
DISPLAY**

NFC Tag-On Technology

STAY CONNECTED WITH ONE TOUCH

- NFC (Near Field Communication) tag-on technology conveniently connects your dishwasher and smartphone
- Download new wash cycles, see when you need to run a machine cleaning cycle and even troubleshoot if you ever encounter any issues
