MASTER SERIES 30" CONVECTION SPEED OVEN

Bring Italian design and precision into your kitchen with the Bertazzoni speed oven, engineered to install proud or flush in any type of kitchen cabinet.

Enjoy the flexibility of baking, broiling and microwaving in a single oven. Use each cooking mode independently or in combination for amazing results.

Prepare meals in up to half the time with the convection microwave mode, without compromising quality, aroma and taste.

Manage cooking modes, temperature and time with the highly intuitive touch-through-glass user interface.

Enjoy the convenience of soft-motion balanced doors and no-fingerprint stainless steel.

Designed with pride by Bertazzoni in Italy.

Industry leading 2 years parts and labor warranty.
