Electric Slide-In InstaView® Range with Air Fry and ProBake Convection®

Built-in Air Fry plus ProBake Convection® make this InstaView® slide-in range ready for whatever's on the menu

No matter what you've got cooking, this versatile LG range has you covered. Quickly air fry enough hot wings to feed a crowd. Own the holidays with ProBake Convection® for the perfect roast and racks of evenly baked cookies. Get dinner going in a hurry with the UltraHeat™ 3.2kW power element. Who needs extra gadgets that just take up counter space when one range does it all? The sleek, slide-in design and InstaView® window enhance the style of your kitchen, while the PrintProof™ finish and EasyClean® oven keep your range looking like new.

COOKING OPTIONS TO KEEP PACE WITH YOUR EVER-CHANGING MENU

- **Air Fry** — with huge capacity and no preheat needed, make enough crunchy favorites like wings, fries and more to feed a crowd while saving time and counter space—Air Fry basket included
- **ProBake Convection®** — the gold standard in convection technology, for even baking on every rack, every time that's perfect for cookies and pies
- **Powerful Dual and 3-in-1 Elements** — UltraHeat™ dual 3,200 watt element and 3-in-1 3,000 watt element are up for any quick cooking challenge, with a fast boil to save time and the flexibility to match the element size to your cookware

Convenience

CHECK ON FOOD IN AN INSTANT—AND MAKE CLEANUP JUST AS FAST

- **InstaView® Window** — see inside your oven without ever opening the door and letting heat escape—simply knock twice on the unique glass window
- **EasyClean® Oven** — keep your oven looking like new with this 10-minute cycle—the fastest oven-cleaning feature available*—just spray the interior with water, press the EasyClean® button and let the oven do the work, without chemicals or high heat

* Among major leading home appliance brands as surveyed in March 2020. Heavy build-up may require additional manual effort or use of the full self-clean feature

Style & Design

SEAMLESS BUILT-IN LOOK PLUS A SPOTLESS FINISH

- **Slide-In Design** — places the controls up front for a built-in look that lets the beauty of your custom backsplash and countertops show through
- **PrintProof™ Finish** — stainless steel and black stainless steel finishes resist fingerprints and smudges to keep your kitchen looking its best
